Three Things to Know About UTC's Employee Privacy Notice

PRIVACY PLEASE

UTC Maintains and
Protects Employee
Personal Information

Questions?

Contact your local Human Resources
Representative, Ethics & Compliance
Officer, or a UTC Ombudsman.

1

Information is collected on all employees, such as home address, phone numbers and work experience.

2

The information is used for business purposes, such as managing employment, preparing and distributing employee communications, and providing safety services.

3

UTC may share information with trusted service providers.
